Zondervan. Paperback. Book Condition: new. BRAND NEW, Courageous Leadership: Field-Tested Strategy for the 360 Leader, Bill Hybels, The book you hold resonates with this conviction: that leaders such as you have the potential to be the most influential forces on planet Earth. Yours is the staggering responsibility and the matchless privilege of rallying believers and mobilizing their spiritual gifts in order to help people who are far from God become fully devoted followers of Christ. Life transformation and the eternal destinies of real people depend on the redemptive message entrusted to the local church. Are you willing to do whatever it takes to lead your church effectively so God's message of hope can change the world? Then this book is for you. Courageous Leadership is Bill Hybels' magnum opus, a book far too important to be written before its time. Too much is at stake for you not to maximize your spiritual gift of leadership, insists Hybels. In this passionate, powerful book, he unpacks the tools, tasks, and challenges of your calling. You'll discover the power of vision and how to turn it into action. You'll gain frontline insights for developing a kingdom dream team, discovering your leadership style, developing other leaders, making decisions, walking with God, embracing change, staying your God-given course, and much, much more. Drawing on his own richly varied life experiences, Hybels fleshes out vital principles with riveting firsthand stories. This is far more than another book on leadership strategies...
