DEJA REVIEW PHYSIOLOGY

McGraw-Hill Education - Europe, United States, 2010. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book. Maximum Retention - Minimal Time. A real strength of Deja Review is that it allows for really rapid reviewing - Maxx Gallegos, Second Year Medical Student, University of Kansas School of Medicine. The great thing about this book is the question format allows for quick review. This book would be great for USMLE review as well as course work. I would feel completely confident recommending this book to another classmate - Sheree Perron, Third Year Medical Student, Eastern Virginia Medical School. Deja Review: Physiology boils down your coursework to just the critical concepts you need to know for exam success. This unbeatable guide features a quick-read, two-column flashcard QA format - specifically designed to help you remember a large amount of pertinent information in the least amount of time. The format allows you to zero in on only the correct answers to promote memory retention and get the most out of your study time. Great for last-minute review of high-yield facts, Deja Review provides a straightforward way for you to assess your strengths and weaknesses so you can excel on your course exams and the USMLE Step 1. Active recall questions allow you to understand, not just memorize, the content. Clinical vignettes at the end of chapters prepare you for board questions. Portable size for study on the go - fits in your white coat pocket. Bookmark included to guide you through easy-to-use flashcard presentation.
