

Funky Fractions: Multiply and Divide

By Lisa Arias

Rourke Educational Media, United States, 2014. Paperback.
Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. Multiplying and dividing fractions can be a funky mess if you don't take the right steps. The rhyming text in this book will help students understand, in a fun way, just how to tackle these fractions with step by step directions and visual representations. Students can then practice what they learned by completing the sample problems! This book will allow students to apply and extend previous understanding of multiplication and division to multiply and divide fractions.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
