

Sheperd Paine: The Life and Work of a Master Modeler and Military Historian (Hardback)

By Jim DeRogatis

Schiffer Publishing Ltd, United States, 2008. Hardback. Book Condition: New. 305 x 234 mm. Language: English . Brand New Book. Sheperd Paine did more than anyone to elevate modeling to the level of an art form - one that includes elements of painting, sculpting, research, and storytelling. Building and painting miniature figures, armor, aircraft, and ships with equal skill, and displaying a broad scope of knowledge and interests ranging from the Napoleonic era to WWII, Paine created incredibly detailed and masterfully rendered vignettes and dioramas. This is the first book to examine all of his remarkable work, cataloging it with more than seven hundred beautiful photos, and charting the life experiences that formed these creations in an interesting, conversational format.

Reviews

Absolutely among the finest book We have at any time read through. We have read through and that i am sure that i will going to read once more again later on. I found out this book from my i and dad suggested this book to find out.
-- **Alford McClure**

I actually started reading this article ebook. It is actually packed with knowledge and wisdom Its been printed in an remarkably simple way and it is only after i finished reading this pdf where in fact modified me, alter the way i believe.
