Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

EDINBURGH UNIVERSITY PRESS, United Kingdom, 2016. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. A critical reassessment of the concepts of the state and sovereignty in international relations theory The concept of the state plays a central role in international relations, particularly in realist and neo-realist approaches. Yet, the meaning of the state is persistently taken to be self-evident by both advocates of the sovereign state and its critics. This volume counters this trend. It systematically considers the nature of the state, the concept of sovereignty and the challenges globalisation and cosmopolitanism. Featuring contributions from some of the most reputed theorists of the state, the essays in this collection give you a coherent and, at the same time, distinctively pluralist set of original reflections on the role and nature of the state.
