## The Lords of Creation

By Fredrick Lewis Allen

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. An acclaimed classic detailing the economic history of America in the late 19th and early 20th centuries and exposing the capitalist giants who changed the world. Frederick Lewis Allens insightful financial history of the United States - from the late 1800s through the stock market collapse of 1929 - remains a seminal work on what brought on Americas worst economic disaster: the Great Depression. In the decades following the Civil War, America entered an era of unprecedented corporate expansion, with ultimate financial power in the hands of a few wealthy industrialists who exploited the capitalist system for everything it was worth. The Rockefellers, Fords, Morgans, and Vanderbilts were the lords of creation who, along with like-minded magnates, controlled the economic destiny of the country, unrestrained by regulations or moral imperatives. Through a combination of foresight, ingenuity, ruthlessness, and greed, Americas giants of industry remolded the US economy in their own preferred image. In so doing, they established their absolute power and authority, ensuring that they - and they alone - would control the means of production, transportation, energy, and...
