Don t let your mechanic pick your pocket is a ground breaking new book intended for car owners who don t know much about cars, don t have time to learn or don t really care to. They will still find, however, a need to put the odds in their favor when they have to see a mechanic. This book is designed to save its readers money and provide the knowledge needed to deal with unscrupulous repair shops found everywhere you go, George says. It is short, concise and straight to the point. Best of all, you won t get greasy, or in most cases even have to touch your car, AND, you don t need any mechanical background to understand it! It was written by a retired mechanic and shop owner who is tired of seeing people ripped off by less than honest mechanics. He was constantly having to defend an honest shop because of all the crooks out there! He spent much of his shop s resources helping single moms and indigent families. He was appalled at the instances of creative bill writing and haphazard repairs by other shops, even when they knew their clients couldn t afford it. To fight back, he has spent the last two years compiling a list of the most common symptoms and what they mean. He has translated them into terms we can all understand, and put them in a book small enough to keep in the glove box for when it s really needed. You will also find helpful hints, a glossary of the most frequently used...
