

Oedipus, King of Thebes: Translated Into English Rhyming Verse with Explanatory Notes by Gilbert Murray (Classic Reprint)

Filesize: 1.28 MB

Reviews

*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Oedipus, King of Thebes: Translated Into English Rhyming Verse With Explanatory Notes by Gilbert Murray If I have turned aside from Euripides for a moment and attempted a translation of the great stage masterpiece of Sophocles, my excuse must be the fascination of this play, which has thrown its spell on me as on many other translators. Yet I may plead also that as a rule every diligent student of these great works can add something to the discoveries of his predecessors, and I think I have been able to bring out a few new points in the old and much-studied Oedipus, chiefly points connected with the dramatic technique and the religious atmosphere. Mythologists tell us that Oedipus was originally a daemon haunting Mount Kithairon, and Jocasta a form of that Earth-Mother who, as Aeschylus puts it, bringeth all things to being, and when she hath reared them receiveth again their seed into her body (Choephoroi, 127: cf. Crusius, Beitrage z. Gr. Myth, 21). That stage of the story lies very far behind the consciousness of Sophocles. But there does cling about both his hero and his heroine a great deal of very primitive atmosphere. There are traces in Oedipus of the pre-hellenic Medicine King, the Basileus who is also a Theos, and can make rain or blue sky, pestilence or fertility. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
