Brand New Book ***** Print on Demand *****.Excerpt from Affectionately Inscribed to the Memory of Elder Frederic W. Evans An adulterous generation could not perceive that they who do the will of the Heavenly Parents constitute the soul s nearest kindred, any more than they can comprehend that he who hates or oppresses is a murderer. In presenting this collection of heart tokens, which were originally intended only for the sacred area of our home, the public are taken into confidence as friends. We are inspired with the hope that the book will not only display sheaves and fruit of rich harvest sown beside all waters, but that it will set forth the character of our noble chieftain who from youth was a most ardent, persistent truth disseminator, also, that it will especially shed some gleams on the inner spiritual life which is the growth of the command that ye love one another, a growth so nurtured that the promise of an hundred fold is fulfilled now in this life, and the certainty of realizing an enduring relationship is demonstrated. We who have attained this bond by one faith and baptism, know how to dwell together in unity and to concentrate forces when From love s shining circle the gems drop away. The natural selfish mind would plead, Why wish to increase the numbers, at the risk of admitting adverse elements? Why not enjoy a little heaven while life lasts?
