On the other hand he had frequently expressed disgust at the way in which one after another of his companions had refused foreign appointments which had been arranged for them under the Duke s scheme of education. His tutors also strongly urged him to accept the lectureship, and he had not the usual reluctance to leave home. He therefore proceeded to Gratz, protesting that he did not thereby forfeit his claim to a more promising opening, when such should appear. His astronomical tutor, Maestlin, encouraged him to devote himself to his newly adopted science, and the first result of this advice appeared before very long in Kepler s *Mysterium*[.].
