CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 36 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. For instance, if you are only gardening on your rooftop or you only have a very small backyard, it is possible for you to plant many crops through vertical gardening even with that limited space you have. If you want to build a vertical garden, there are several things you need to be aware of. First, you need to know how to build one, you need to know how to prepare the soil for a vertical garden, you need to know how to maintain your vertical garden, and you need to know how to control pests and keep them from destroying your plants. This way, the time, money and effort you invested in building this garden won't be in vain. This book will discuss and reveal some of these helpful vertical gardening tips you need. This...
