

The Story of an Indian Backpacker: Solo in South America

Filesize: 7.48 MB

Reviews

The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Obaidur Rahaman, a native of India, embarks on a solo journey in South America. As the story unfolds it becomes clear that this is not going to be a typical story of a western backpacker. There are severe limitations of travelling alone and with an Indian passport. As he continues with his journey, he passionately explores the history, culture, and natural beauty of South America while constantly struggling with dilemmas, overestimated problems and occasional panic attacks. But he never loses heart, learns from his mistakes and keeps walking on his uncertain, unforeseeable, ever changing path. But what happens when he gets stranded in the Amazon unable to get the visa to cross the border? What happens when he is expected to give a talk in Spanish in front of a class full of Portuguese-speaking students. What happens when he gets caught up into a storm while boating alone in a lake infested by caimans (crocodilians) and piranhas? Categories: travel solo books, travel alone book, south america travel writing, south american travel stories, backpacking stories, backpacking south america, backpacking stories.
