Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Constructive Bible Studies: The Priestly Element in the Old Testament This treatment of the Priestly Element in the Old Testament is intended to serve as a guide for students who wish to take up the questions relating to the subject from an historical point of view. The materials for a preliminary study of the various topics are gathered together, and arranged with suggestions as to order and method of procedure. It is thought that the work proposed is within the reach of the more mature pupils in the Sunday school, although the needs of college and theological students have been kept especially in mind. The general results of modern historical criticism have been taken as a basis for the work, since it is only from the point of view of history that these subjects may now be considered intelligently. Each special topic connected with the general subject of the Priestly Element furnishes a beautiful illustration of the growth and development of Israelitish and Jewish thought under the controlling influence of a conception of God which...
