Excerpt: .of statistics was carried on by Mr. L. L. Lohr, Jr., until he was called into the service of the United States, when the work was carried to completion by Miss Ernestine Kennette. Method of Arrangement The first set of tables gives the median scores for each grade for both the October and the May series of tests, and also gives the increase or decrease of the May results as compared with those in October. These tables are designated A .I, A3, A4, A5. The table corresponding to Table A1 in the previous report is omitted because so few schools made any report on the results in third grades. Another set of tables appears as Tables B1, B2, B3, etc., to B12, which gives median results in each subject, grade by grade, for both the October and the May series of tests, and also...
