Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

Paperback. Book Condition: New. Not Signed; Listen - Travis Coates was alive once and then he wasn't. Now he's alive again. Simple as that. The in between part is still a little fuzzy, but Travis can tell you that, at some point or another, his head got chopped off and shoved into a freezer in Denver, Colorado. Five years later, it was reattached to some other guy's body, and well, here he is. Despite all logic, he's still sixteen, but everything and everyone around him has changed. That includes his bedroom, his parents, his best friend, and his girlfriend. Or maybe she's not his girlfriend anymore? That's a bit fuzzy too. If the new Travis and the old Travis are ever going to find a way to exist together, it looks like there's going to be a few more scars. book.
