Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Michael Enoches, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Alternative Revolution Magazine W/Louise Cantwell Photography. I am a photographer from a small town in Scotland near Glasgow. I started photography nearly 7 years ago and I have never looked back. I am completely self-taught and I approach the process from a more emotive and fashion perspective than from a technical point of view As a teenager I became fascinated with alternative/gothic fashion and music and because of where I grew up there were not many opportunities to explore these genres. I always wished I were artistic but I could not draw or paint. I always wanted to be musical but I never had the patience or skill to learn to how to play anything properly and like most things in my life I would give up on this pretty quickly. I have a very vivid imagination and extremely complex and vivid dreams. I have a creative mind but previously had no way of expressing myself or my ideas. When I started portrait photography I very quickly realized I had found a way to make these ideas come alive. I have a fascination with the macabre and melancholy and I love the contradictions within the alternative sub culture. I love how beauty can be found even within the darkest concepts and often your first impression could be negative ie evil, vulgar, despairing, disturbing, can actually contain glimpses of true beauty, hope and release if you open your mind and look close enough. It is amazing what can be found hidden in the deepest, darkest recesses of the mind. We all have something hidden in there. I think I spend a lot of my time fantasising, daydreaming and...
