## P. CORNELII TACITI ANNALIUM AB EXCESSU DIVI AUGUSTI LIBRI VOLUME 2

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 38 pages. Original publisher: Washington, D. C. : U. S. G. P. O. , 2001. OCLC Number: (OCoLC)48429481 Subject: Nurses -- Recruiting -- United States. Excerpt: . . . 15 enrollment priority 5 because of their increased inability to defray copayments. This provision changes section 1722 of title 38, United States Code, to also include the HUD income index in determining eligibility for treatment as a low-income family based upon the veterans permanent residence. This eligibility determinant is in addition to ability to receive state assistance under title XIX of the Social Security Act, the receipt of pension under section 1521 of title 38, United States Code, or meeting VAs annual means test thresholds. An important goal in creating this additional eligibility determinant is to protect those veterans already enrolled in priority 5 from being reevaluated and placed into priority 7, thereby triggering various copayment requirements. Thus, the current national threshold would remain in place as the base figure even if the HUD formula determines the low-income rate for a particular area is actually less than that amount. The effective date of this change is January 1, 2002, and shall apply to all means tests after December 31, 2001, using data from the HUD index at the time the means test is given. . . SEC 203 FUNDING OF COMPLIANCE AND OVERSIGHT ACTIVITIES Section 203 of the Committee bill addresses funding of the VA office which is responsible for the protection of human research subjects and research integrity within VA medical centers, the Office of Research Compliance and Assurance ( hereafter ORCA ). The rapid pace of biomedical research in recent years has led to substantial medical advancements, and concomitantly, to a dramatic increase in research trials involving...
