A paradigm is more than a feeling or a belief. It is an entire way of being a fundamental universal conviction that reverberates out into the universe. In The Abundance Paradigm, Joe Vitale shows you how to make the profound shift from a paradigm of scarcity in which you have not enough of the things you want and need to a paradigm of abundance in which you have more than enough of everything, at all times. When you make this shift, you move beyond the Law of Attraction to the little-known Law of Creation. . . and step into a world where you align with the universe automatically instead of working to make it happen; manifest your desires spontaneously instead of thinking about it, and get what you want immediately instead of waiting for it to show up. Joe Vitale shows you how to: OPEN a portal that enables ideas to flow into your mind freely and effortlessly DISSOLVE all of the limitations that are currently compromising your growth and happiness RECEIVE guiding messages from your subconscious alerting you to the below-the-radar issues that need your attention most ERASE all toxicity from your interpersonal relationships ACT from pure, positive inspiration instead of old, faulty programming PROTECT your paradigm from harmful outside influences and interference CLEAR your consciousness of negative judgment of yourself, and of others If you're ready to stop waiting for the things you want to come to you, and start SEEING and RECEIVING them instead, then make the shift to The Abundance Paradigm.
