Center of Artificial Intelligence, Incorporated. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 7.9in. x 5.3in. x 0.6in. This expanded Second Edition of the book was published on May 27, 2011 and has 12 new chapters. This humorous photo-book follows one mans journey through United States as he ventures from Silicon Valley to Seattle, San Francisco to San Diego in a quest for his dream job and his search for a place he could call home. The book starts in 1987, at University of California campus in Davis, where it all began, where Artificial Imagination was conceived. We then fast forward by 15 years to 2002. Our main character, a Executive in the Software industry and working in Silicon Valley. Soon, he is heading to Seattle to work for Amazon. com at a lower level management position. We read one lively story after another about the life in the Northwest and learn about his lovely wife and two daughters. Our adventurer then heads to Nashville to work for a software company, and finally returns to California, when he gets caught in the infamous wild fires of 2007. Kudos to the author to be able to find humor in the middle of the Inferno! A Review by John Lehman, the author of Everything is changing A Review by John Lehman, the author of Everything is changing I was half way through this book when I realized it is almost poetry in the form of prose. I am not just referring to the short paragraphs, but the imaginative leaps, stunning imagery and most importantly, words which hook us in, make us think this is our story . . . We see them on the page but live them in the theater of our imagination. This book reminds us that we share the...
