

## ESPACIOS DE IDENTIDAD: Nuevas visiones sobre el currículum

By Tomaz Tadeu Da Silva

Ediciones Octaedro. Encuadernación de tapa blanda. Book Condition: Nuevo. Teorizar el currículum se limitaba a discutir sobre cómo organizarlo. Las teorías críticas rechazarían de forma radical este razonamiento, y cuestionarían, precisamente, la validez del conocimiento incorporado en el currículum. La nueva pregunta sería: ¿Por qué incluir este conocimiento y no otro? En cierta continuidad, las teorías poscríticas compartirían la misma preocupación por cuestiones de poder, pero dejarían a un lado la oposición entre poder y conocimiento, conectando significado, identidad y poder. De modo sintético y panorámico, Espacios de identidad revisa las teorizaciones mencionadas y a sus autores, y analiza las tendencias recientes de la teoría social como posmodernismo, feminismo, estudios poscolonialistas y estudios culturales. El itinerario trazado, de la génesis a la actualidad social, lo convierten en un estudio esencial de lectura imprescindible para todas aquellas personas dispuestas a ver el currículum con la mirada inocente de antaño.
