

Man on the Run: Paul McCartney in the 1970s

Filesize: 8.51 MB

Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

MAN ON THE RUN: PAUL MCCARTNEY IN THE 1970S

[DOWNLOAD](#)

Birlinn General. Paperback. Book Condition: new. BRAND NEW, Man on the Run: Paul McCartney in the 1970s, Tom Doyle, The most famous living rock musician on the planet, Paul McCartney is now regarded as a slightly cosy figure, an (inter)national treasure. Back in the 1970s, however, McCartney cut a very different figure. He was, literally, a man on the run. Desperately trying to escape the shadow of the Beatles, he became an outlaw hippy millionaire, hiding out on his Scottish farmhouse in Kintyre before travelling the world with makeshift bands and barefoot children. It was a time of numerous drug busts and brilliant, banned and occasionally baffling records. For McCartney, it was an edgy, liberating and sometimes frightening period of his life that has largely been forgotten. Man on the Run paints an illuminating picture: from McCartney's nervous breakdown following the Beatles' split through his apparent victimisation by the authorities to the rude awakening of his imprisonment for marijuana possession in Japan in 1980 and the shocking wake-up call of John Lennon's murder. Ultimately, it poses the question: if you were one quarter of the Beatles, could you really outrun your past?.
