Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This is an ongoing set of volumes that I will continue to add to for the duration of my life. It is meant to be a conduit for men, women and children who do not wish to filter through the plethora of information that is available regarding numerous topics. The inclination to shy away from deep research has provided me with a niche in which I can be somewhat useful. I have sifted through thousands upon thousands of hours of research regarding all sorts of topics -those I found to be most pertinent to the betterment of life on Earth I have chosen to write about. I m not just a researcher, I am a doer and have done much in my short time here on Earth and I am also applying that experience here.
