The Cognitive Perspective on the Polysemy of the English Spatial Preposition Over

By Maria Brenda

Cambridge Scholars Publishing. Hardback. Book Condition: new. BRAND NEW, The Cognitive Perspective on the Polysemy of the English Spatial Preposition Over, Maria Brenda, This volume investigates the English spatial preposition over and prepositions in general, frequently regarded as function words with little semantic content, and shows that they encode rich and diverse information, both grammatical and semantic. An important research endeavor which the present study undertakes is an examination of whether the meaning of the preposition over is in fact complex enough for the preposition to be treated as a lexical unit rather than merely a functional one. In order to achieve that goal, the gathered linguistic material is analyzed first and foremost in terms of its semantic content; that is, the geometric relations between the trajector and landmark, and the functional consequences of such relations. The research into the morphology of prepositions reveals a considerable area of overlap between prepositions and adverbs, adverbial particles, and prefixes, as well as nouns, verbs and adjectives. The discussion of the syntax of prepositions is illustrated with labeled tree diagrams of selected sentences to show how the preposition over and the prepositional phrases it heads are embedded in larger structures of the English...
