Veritas Shield, United States, 2014. Paperback. Book Condition: New. Crimson River (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.They happen in space. They happen in time. They re little moments of discontinuity in our experience, but they can become portals to the greater experience of our world as illusion, as the veil, as Maya, as the collective dream - and the experience of ourselves as the dreamers. If we choose not to ignore them, but to follow them, like Alice down a cosmic rabbit hole, we might just begin to understand how it was that we got here in the first place. Offering unique ways to look at light, quantum physics, string theory, the universe existing as a single unified melody, the power of imagination, free will, the language of mathematics, death, and more, Renato successfully challenged me to consider not just Who am I? but What am I? - Patricia Reding, Readers Favorite J. G. Renato attempts to uncover the deeper meaning behind that often disconcerting deja vu we ve all experienced at some time or other. He skillfully uses this sense of stepping out of one plane of reality and seeing things from a different perspective to explore the whole nature of being, presence, and existence. Most crucially, he poses the thorny question of how spiritual phenomena can fit within a world obsessed by rationality and tangible productivity. . The key achievement of this slight volume is managing to be metaphysical while remaining lighthearted and fun. - Seamus Mullarkey, ForeWord Reviews.
