Strategic Book Publishing Rights Agency, LLC, United States, 2012. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Author Annie Chau writes about her life in her continuing Brag series. I Brag . Some More. Girls, Goddesses, and a Chinese Lady is the third book in this series. The earlier books are I Brag. and I Brag . Again. Dating Through Heartbreak. In taking a detour off my main path of bragging through man-adventures and my quest for love, I wanted to reflect on the women who have significantly affected my life. These important women have taken part in (whether they know it or not) shaping who I am. I am grateful for the life lessons taught by them from when I was just a little girl to my present day adult life. It has been incredibly fulfilling to find the humor in these stories while writing about them, and doing so has helped me heal. Annie pays homage to her pseudo grandmother, who loved her family as if she birthed us herself. She talks about the mothers and moms she s had in her life, and the differences between them. She writes of the teachers who helped build her intellect and nurtured her drive, and the amazing women she chose to be her sisters. Annie Chau has been writing in journals since she was seven years old. She is the director of business development for a telecommunications consulting firm in San Francisco, and is working on her next book I Brag . Forever. Married Bliss, Hit or Miss, focusing on her transition from single and searching to married life. //.
