ECOTOPIA

DOWNLOAD

Bantam Doubleday Dell Publishing Group Inc, United States, 1990. Paperback. Book Condition: New. Reissue. 206 x 132 mm. Language: English . Brand New Book. A novel both timely and prophetic, Ernest Callenbach's *Ecotopia* is a hopeful antidote to the environmental concerns of today, set in an ecologically sound future society. Hailed by the Los Angeles Times as the newest name after Wells, Verne, Huxley, and Orwell, Callenbach offers a visionary blueprint for the survival of our planet . . . and our future. *Ecotopia* was founded when northern California, Oregon, and Washington seceded from the Union to create a stable-state ecosystem: the perfect balance between human beings and the environment. Now, twenty years later, this isolated, mysterious nation is welcoming its first officially sanctioned American visitor: New York Times-Post reporter Will Weston. Skeptical yet curious about this green new world, Weston is determined to report his findings objectively. But from the start, he's alternately impressed and unsettled by the laws governing *Ecotopia*'s earth-friendly agenda: energy-efficient mini-cities to eliminate urban sprawl, zero-tolerance pollution control, tree worship, ritual war games, and a woman-dominated government that has instituted such peaceful revolutions as the twenty-hour workweek and employee ownership of farms and businesses. His old beliefs challenged, his cynicism replaced by hope, Weston meets a sexually forthright Ecotopian woman and undertakes a relationship whose intensity will lead him to a critical choice between two worlds.
